October 2019 Edition

#Class visits: 46

#Student Checkouts: 2,882

#Student Visits: 2,136

#Book Displays: 5

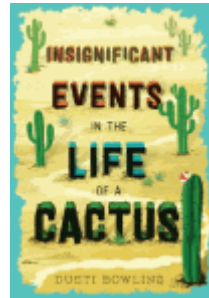

#Holds Placed: 108

## Latest from the Library

Thanksgiving is approaching and it is the perfect time to share our GRATITUDE for all our awesome patrons. Speaking of gratitude, one of our stations at the library is building Turkey Tom's tail with feathers of gratitude. Check out our Twitter feed to see Tom's progress. In October we worked across different disciplines, collaborating on literacy skills lessons and project based learning. Ms. Huftalen brought her

students down to learn about Fake News and Media Bias in Civics, and Ms. Valentine took advantage of our Makerspace to have her students recreate the myth of Arachne for Halloween. We also taught presentation skills, citation building using NoodleTools, plagiarism and other research skills. Using read-alouds, we worked on developing personal narratives with Ms. Hashem's students as well as discovering character traits with Ms. McGavin's students. Finally, in October we said goodbye to Ms.

### Some of the top Book Checkouts in October

Martino, one of our Library Interns and we wish her well in her job search! Congrats Ms. Martino on finishing your Masters in Library Science.

### November Happenings

In November we are looking forward to more research lessons, more Booktalks and more collaborations. If you have an idea for collaborating with the Library, please email us!

## New Books in the Library
